It is the policy of The International Conference to grant equal opportunity to all qualified applicants without regard to race, color, age, sex, religion, national origin, or disability. To deny opportunity to a qualified applicant is an injustice not only to the individual, but to the International Conference and the funeral service profession as well. It is the intent and desire of the International Conference that equal opportunity be provided for all qualified applicants of the National Board Examination.

About the National Board Examination (NBE)

Purpose

The purpose of the National Board Examination (NBE) is to provide State/District/Provincial Licensing and Regulatory Boards and Bureaus with a content-valid evaluation of an applicant for licensure in the diverse areas of competency required for the field of funeral service.

Sponsorship

The National Board Examination is offered by The International Conference of Funeral Service Examining Boards, Inc., an international voluntary organization of licensing and regulatory boards in most of the United States and Canada. Examination policy is established by the elected Board of Directors and the Education and National Board Examination Committee of The International Conference.

Acceptance by the State Boards

Currently, all states accept the results of a successful National Board Examination. Additionally, a candidate must satisfy all other requirements set out by the appropriate licensing agency in the state in which they seek to practice.

Basis of the NBE

A Task Analysis was performed in 2004 utilizing a diverse group of practitioners from across the nation. This "task inventory" was used to determine the significance/importance of various activities performed by current practitioners. From the analysis of this data, a new content outline has been developed. This job analysis produces a practitioner-oriented outline, which is the basis for an examination possessing substantial content validity. The examination is highly representative of the content/knowledge domain that it intends to measure. This content-validity approach (domain sampling and expert review) resulting from a thorough job analysis is recommended by the *Uniform Guidelines on Employee Selection Procedures* and the *Standards for Educational and Psychological Testing*.

The Examination Content

The content of the examination is based on the Task Analysis with the questions being referenced to the curriculum outline of the American Board of Funeral Service Education (ABFSE) and current textbooks. The questions on the exam are written by the Exam Committee of The International Conference to reflect current thinking on the knowledge, philosophy, attitudes, and skills required to function as an entry-level licensed professional in funeral service.

The areas of competency measured in the examination are:

Posses a valid license in good standing to practice as a funeral director and/or embalmer in a country other than the United States of America and be endorsed by a funeral service regulatory body recognized by The Conference in a manner and form approved by The Conference. (For more information about option 3, please contact The Conference.)

"CONDITIONAL CERTIFICATION"
 The applicant shall be eligible to sit for the NBE. However, notification of any exam results will not be released to the State Boards until official certification is received by The Conference confirming graduation from the accredited mortuary science program.

Once your eligibility has been established, you will be considered eligible from that point forward.

Taking the Exam

What do I need to bring to the exam?

1. Official Picture Identification with Signature

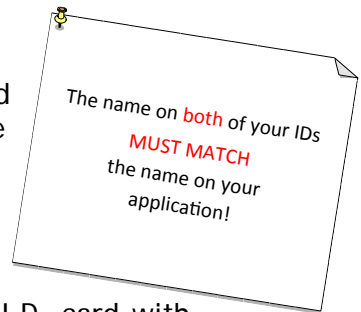

Issued by a governmental agency, such as a permanent, current, unexpired driver's license; U.S. passport; or Federal, State, County, or City Employee I.D. card. NOTE: A student I.D. card is not considered official identification.

2. Secondary Identification

A second form of identification with your signature on it. This can be a credit card with signature, social security card with signature, a student I.D. card with signature, a membership card (i.e., Sam's Card, PACE Card) or a notarized photograph with signature.

3. Registration Confirmation

You will receive a letter from Pearson VUE confirming your test appointment. You may want to bring this letter with you in case any questions arise as to your scheduled location and time.

BE PREPARED!

- Make sure you know reporting times and how to get to the exam site in advance.
- Make sure you have all required items (see above) before you leave for the exam site. Put them where you won't forget them the night before if possible.
- Allow extra time for traffic or other possible delays, so you will arrive on time.

What if I'm late?

You're in BIG trouble! If you are more than **15 minutes** late and cannot be seated, you will forfeit your exam fee.

Smile! You're on camera!

An OFFICIAL PHOTOGRAPH will be taken on the day of your exam. This is not optional. The photo will be included on your NBE Certified Transcripts that are sent to the state board(s) for licensure. Because these pictures are intended for professional identification purposes, it is of the utmost importance that you behave in a professional manner. Inappropriate photos will not be accepted. If your photo is unacceptable, you will be required to provide one at your own expense. Your NBE scores will be held until an appropriate notarized photo is received in The Conference office.

What if I need to reschedule?

If you need to cancel or reschedule your examination appointment, you must contact Pearson VUE at least **24-hours** prior to examination date. If you do not give Pearson VUE the required 24-hours notice, you will **forfeit the exam fee**. In that case, you will have to re-register for the exam and pay the appropriate fees to The Conference. **THERE ARE NO EXCEPTIONS TO THIS POLICY !!!**

Please note that merely submitting an application and acceptance of payment does not guarantee you a seat for any specific exam. Testing appointments are subject to availability. Once your eligibility to take the NBE has been verified by The Conference, you will need to contact the testing company at **1-800-709-0180** or go to www.pearsonvue.com/icfseb to schedule your testing sessions.

After You Take the Exam

Passing the NBE

If you made 75 or higher on **BOTH** the Arts and the Sciences sections, **CONGRATULATIONS!** You passed the NBE!

PASS

How is my score calculated?

The Arts and Sciences sections of the NBE are scored separately. You must score 75 or higher on **EACH** section to pass the NBE. Only the 150 core items are used to calculate scores for each section. The 20 pretest items do not count. (See page 1 for the number of questions related to each subsection.)

What are scaled scores and why use them?

Scaled scores are part of how we make sure the exam is a fair and valid measure of your professional knowledge.

- The Conference creates three new exam forms per year. This ensures that repeat takers do not have an advantage over first-time takers.
- The exam questions are pulled from our item bank in accordance with accepted psychometric procedures. Since some questions are more difficult than others, one form of the exam might be slightly easier or harder than another. Scaled scores take into account the varying degree of difficulty of each question, so that regardless of which version of the test you take, the total score represents an equivalent level of knowledge.
- Using scaled scores in testing ensures that no candidate receives an unfair advantage by taking an easier form of the test or is unfairly evaluated by taking a more difficult form of the test. It is a complex, but much fairer, method of calculating scores.

What if I don't pass?

- If you score **less than 75** on **either** section of the exam, you must **RETAKE** that section.
- To retake either section of the exam, you must **submit another application and the appropriate fees** following the same procedure as outlined earlier.
- You will be required to wait **30 days** from the date you failed the exam to retake it. However, you may submit your application and payment as soon as you like to improve your chance of getting a specific date and time.
- There is no time limit on how long you have to pass both sections of the exam. However, we strongly encourage you to retake the failed portion as soon as possible after the 30-day waiting period.

Refund Policy

Important!!!

ALL MONEY PAID FOR THE NBE IS NON-REFUNDABLE!

Your payment will be held until the time you are certified by your mortuary science school as eligible to sit for the NBE for up to 12 months. **After 12 months all fees are forfeited. THERE ARE NO EXCEPTIONS TO THIS POLICY!!!**

If you need to cancel or reschedule your examination appointment, you must contact Pearson VUE at least **24-hours** prior to examination date. If you do not give Pearson VUE the required 24-hours notice, you will **forfeit the exam fee**. In that case, you will have to re-register for the exam and pay the appropriate fees to The Conference. **THERE ARE NO EXCEPTIONS TO THIS POLICY !!!**
